Art Glaze™

NEW ADDITIONS

The Art Glaze range from Royal Crown Derby constitutes an upmarket artisan aesthetic allied to the purity and whiteness of fine bone china. Each piece is unique as reactive glazes obtain their beauty through random and chance effects due to kiln firing, glaze chemistry and their being applied by hand.

The four coloured glazes have been developed to be beautiful individually, or in contrast with each other. Special attention has been given to deliver a refreshing, high-end presentation platform to best showcase chef-driven menus.

Studio Glaze™

NEW ADDITIONS

The Studio Glaze range from Royal Crown Derby exhibits the very best of casual ware, each piece being subtly different and unique due to its hand-applied decoration. Reactive pigments in combination with coloured glazes create a textured interplay of materials to deliver a silky sheen on the surface of each piece. The effect is tactile and sensuous, showcasing food in a contemporary and unique way.

Artisan inspired and relaxed in nature, the Studio Glaze range allows Chefs the perfect canvas for creative food presentation.
