A range of stylish shapes with the inner strength of Steelite International's Distinction formula to provide a remarkably versatile range that will compliment any dining occasion.

The addition of new Wide Rim plates offers the chef a dramatic platform for food presentation. The generous framing of the food suggests that what you are about to enjoy is going to be very special.

The smaller sized well focuses the eye on the food and allows the dish to be the star of the show.

The look is at once contemporary and timeless.
