

# Halo

*halo granite*

*halo jade*

*halo sandstone*

*halo bluestone*

The use of hand-applied reactive glazes on Halo frames food beautifully, allowing for a slightly more formal approach to relaxed presentations. Halo allows food to be presented on a clean white platform complemented by a contrasting colour field. This has the effect of highlighting Chef's creativity, allowing it to speak for itself.

Halo can be used as a single colour presentation or mixed and matched freely with others in the range. Halo also co-ordinates beautifully with Revolution for a more casual and easy-going style.
